## SAVON Cleansing Cream

All ages / All skin types

Tube  
100 ml

Unctuous cream

### ADVANTAGE

This cleanser removes all impurities without leaving the skin feeling tight.

*Extra-gentle cleansing cream !*

### ACTIVE INGREDIENT

#### Lipoproteins

Gently cleanse, without removing lipids from the skin.  
Hydrolipidic film is unaltered.

### USE

Apply morning and evening to the face and neck.  
Gently massage.  
Rinse off with lukewarm water and gently dry.

**Beauty tip:** can be used for men's mechanical shaving .

### RESULTS

Gives softness and comfort to the skin.

# THE CLEANSERS

## Gentle Cleanser Leapsal CLEANSER

All ages / All skin types

Bottle  
200 ml

Pink fluid milk

### ADVANTAGE

Suits to oversensitive skin  
bringing comfort and  
softness.

*Gentle cleansing milk !*

### ACTIVE INGREDIENT

#### Lanolin Oil

Provides hydration\*, softness and suppleness.

### USE

On dry skin, emulsify the milk and  
gently massage to the face and neck.

Rinse off with lukewarm water or take off with Gentle Lotion  
Leapsal TONIC to complete the make-up removal.

### RESULTS

Effectively removes make-up and impurities.

\*upper layers of the skin

# THE CLEANSERS

## Gentle Lotion Leapsal TONIC

All ages / All skin types

Bottle  
200 ml

Pink lotion

### ADVANTAGE

Leaves the skin fresh and  
toned.

*Lotion to complete the cleansing !*

### ACTIVE INGREDIENTS

#### Glycerine

Powerful moisturizer\* and moistener.  
Reduces the loss of trans-epidermal water.

#### Softening agent

Provides softness and suppleness.

### USE

Apply morning and evening to the face after each cleansing  
with a cotton pad.

Perfect complement of Gentle Cleanser Leapsal CLEANSER,  
It can be used also after Cleansing Cream Ental SAVON to provide  
more freshness to the skin.

### RESULTS

Completes the cleansing routine in the evening and  
wakes the skin up in the morning.

\*upper layers of the skin

# THE CLEANSERS

## Radiant Cleanser L'EAU DE MOUSSE

All ages / All skin types

Foamer 150 ml

Liquid  
Converting into foam

*A water that transforms into an unctuous and cleansing foam !*

### ACTIVE INGREDIENTS

#### Natural softening complex

Borage-oil derivative, source of Omega 6.  
Provides softness and hydration\* to the skin.

#### Amino peptide complex (from Soy proteins)

Revitalizing, enriched in peptides, essential amino acids and mineral salts.

Boosts skin's cell respiration, stimulates their growths and contributes to the maintaining of their functions.

#### Bio-mimetic moisturizer\*

By bio-mimicry, it reproduces the phospholipidic membrane structure of the skin.

Provides a long lasting hydration\*.

#### Pro-vitamin B5

Strengthens the skin barrier.

Soothes and hydrates\*.

#### Foaming agents

Very soft.

Create a thin and unctuous foam.

### ADVANTAGE

An innovative and refreshing texture providing softness and radiance to the skin.

### USE

Apply morning and evening to the face previously dampened.

Lather up and gently massage with fingertips.

Rinse off thoroughly with water and gently dry.

### RESULTS

Gently cleanses the face and eyes.

\*upper layers of the skin

# THE CLEANSERS

## EXFOLIATING CREAM

All ages / All skin types

Bottle  
200 ml

Cream with exfoliating beads

### ADVANTAGE

The skin is clearer with a more even tone.

*Gentle cream with exfoliating beads!*

### ACTIVE INGREDIENTS

#### Lipoproteins

Gently cleanse without removing lipids from the skin.  
Hydrolipidic film is unaltered.

#### Exfoliating beads

Very thin micro beads.  
Gently exfoliate.

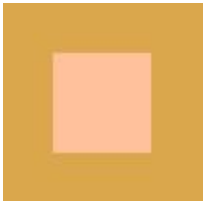

### USE

Apply once to twice a week to the face and neck.

Using circular motions, massage it to the skin  
until a white paste is obtained.  
Gently rinse off and dry.

### RESULTS

Cleanses and exfoliates the skin.  
Removes the impurities and dead cells.  
Refines the skin texture.

# THE PURIFIERS

- ✓ Dull, toneless skin
- ✓ Devitalized complexion
- ✓ Irregular skin texture

THE PURIFIERS range is the solution to make the skin better assimilate active ingredients contained in our treatments and restore its natural radiance.

# THE PURIFIERS

## Gentle Eraser PEELING

All ages / All skin types specifically dull complexion

Tube  
40 ml

Thick cream

### ADVANTAGE

Very soft, this eraser is suitable to all skin types.

*The perfect scrub !*

### ACTIVE INGREDIENTS

#### **Kaolin**

High absorbing power.  
Gentle micro-eraser.

#### **Yeast extract**

Source of vitamins, trace elements and amino acids.  
Soothes and revitalizes the skin.

### USE

Apply in thin and even layer to the whole face  
avoiding the eye area.

Once dry, gently remove using light circular motions.  
Rinse off with lukewarm water or with a cotton pad soaked in  
Gentle Lotion Leapsal TONIC.

Use once a week for normal to oily skins and  
once a month for dry skins.

### RESULTS

Removes dead cells, refines the skin texture and tightens pores.  
The skin is soft and satin-smooth.  
The complexion is radiant.

# THE PURIFIERS

## MASQUE CRÈME Rebalancing

All ages / Combination to oily skins & sensitive skins

Tube  
50 ml

Thick cream

### ADVANTAGE

This balancing and purifying mask is suitable to all skin types, even the most fragile or irritated ones.

## A multi-treatment mask !

### ACTIVE INGREDIENTS

#### Nourishing agent

Hydrates\* and repairs weakened skins.

#### Zinc Oxide

Antiseptic and antibacterial.

Purifies combination to oily skins.

Soothes sensitive skins.

### USE

Apply once to twice a week to the face and neck previously cleansed.

Leave on for 10 to 20 minutes, then rinse off with lukewarm water.

**Beauty tip :** to reduce dark circles, apply this mask every day for few minutes under the eyes before rinsing off.

### RESULTS

Purifies, softens and restores the skin radiance.

\*upper layers of the skin

# THE PURIFIERS

## Resourcing Treatment Mask DOUCE AURA

All ages / Tired & dehydrated skins

Tube  
40 ml

Unctuous cream

### ADVANTAGE

A real express beauty  
enhancer !

## *The leave-on radiance mask !*

### ACTIVE INGREDIENTS

#### hp DNA

Substance of marine origin.  
Powerful antioxidant.  
Traps free radicals and fights against skin ageing.

#### Enzymes

Stimulate cell renewal.  
Encourage the elimination of dead cells.

### USE

Apply once to twice a week in thick layer to the face and neck  
previously cleansed.

After 10 minutes, gently massage it into the skin to revitalize it.  
Take off the surplus with a tissue if needed.

**Beauty tip :** to deeply renew the skin, leave it on the skin overnight.

### RESULTS

Rehydrates and plumps the skin up for a radiant complexion.

# THE SUN

- ✓ Sunburns
- ✓ Dry skin, tightness feeling
- ✓ Premature ageing

UVAs are extremely dangerous as its harmfulness is not detectable, unlike the UVBs.

UVAs deeply penetrate into the dermis modifying the elastin and collagen structures, causing tissue slackening which speeds up the ageing.

Soothing After Sun Gel  
Aloe Vera
